

VALIDATION OF INTERNATIONAL MANDATE: EU-CELAC NCP

Event: LAC National Contact Point Meeting & Horizon 2020 Training **Location:** Barbados | **Year:** 2015

Executive Summary

Represented **Colciencias (Colombian Ministry of Science)** as an official delegate in the strategic alignment of the EU-CELAC platform. Actively participated in high-level panels focused on innovation and green competitive models for the Caribbean and Latin American regions under the **Horizon 2020** framework.

Digital Evidence & Social Proof

As formal certification for this high-level diplomatic and technical engagement, please refer to the public endorsement by **Mikael Barfod (Former EU Ambassador)**:

- **Verified Link:** [Twitter/X Post by Ambassador Mikael Barfod](#)
- **Context:** Panel on EU-Caribbean/LA research network.
- **Key Stakeholders Pictured:** Marcela Sánchez (on the Ambassador's right), Dr. Didacus Jules (Director General, OECS), and Barbados Minister of Labour, Esther Byer-Suckoo.

This document serves as official verification of professional engagement and international representation in the absence of a standard attendance certificate, prioritizing high-level diplomatic endorsement.
